Re: Complaint # [REDACTED]

Dear [REDACTED]

On 03/13/2008 the Occupational Safety and Health Administration (OSHA) notified you of alleged safety and/or health hazards at your worksite. Your response to these allegations was received in the Area Office on 03/20 /2008.

Based on our review of the information you provided in your response to these alleged hazards, we have determined that our file on this matter can be closed and no further action on this complaint is anticipated at this time.

Please note, however, that the complainant will also be given the opportunity to review the information provided in your response. If the complainant disputes the accuracy of the response, it may be necessary for OSHA to contact you for additional information or documentation of corrective action in order to resolve these issues. In some situations, it may be necessary to conduct an inspection of your workplace.

We appreciate your prompt response to these allegations, and your interest in the safety and health of your employees. Please feel free to contact this office if we can be of additional assistance to you.

Sincerely,

Richard Mendelson
Area Director
