

Pretty Every Day

Beauty editor **Melissa Matthews Brown** brings you the latest products, plus expert tips and tricks.

PROTECT your HAIR

SPRITZ ONE OF THESE PRIMERS OVER WET STRANDS TO KEEP THEM LOOKING HEALTHY,

FADEPROOF YOUR COLOR

Infused with six light weight oils (like sunflower and grapeseed), the **Bumble and bumble Hairdresser's Invisible Oil Primer** (\$27; sephora.com) deeply hydrates and shields your hair from the sun.

TAME FLY-AWAYS

John Frieda Frizz Ease Beyond Smooth Primer (\$9.99; ulta.com) contains conditioning coconut oil, making hair soft and easier to style.

PREVENT FRIED ENDS

A few pumps of Garnier Fructis Sleek & Shine Sleek Primer Style Prep (\$4.29; at drugstores) delivers argan oil, which helps block hair from the high temperature of styling tools.

This bottle will last a year!

Tyra Knows Makeup

We chatted with supermodel Tyra Banks to learn all about her new adventure in beauty.

Q What sets your makeup line apart?

TYRA: As a model, I had a front row seat to lots of brands and discovered many made my skin dry. The formulas for the Tyra Beauty products are hydrating and created without harmful ingredients like parabens. It's also being sold directly through my Beautytainers,

which is what I call my independent sales reps.

Q What made you go the direct sales route?

TYRA: I'm obsessed with transformation, it gives me so much pleasure! I wanted to be able to give women the tools needed to become their own boss. Tyra Beauty is my chance to make a difference in

MUST-HAVE PICKS:

- 1. Fashion-Able Blush in Staycation** (\$20), works on all skin tones and goes on like a cream but finishes like a powder blush.
- 2. Oops Liner**

- Liquid Eyeliner + Corrector** (\$24), allows you to define your eyes and erase mistakes, too!
- 3. Lip Model Lip Color in What It Takes** (\$26), line your lips and draw

Ward off Dry Skin

A moisturizer that works in the shower? Yes! Use the **Jergens Wet Skin Moisturizer** (\$6.99; at drugstores) just after you turn off the water—coat your skin, then dry off. The product won't slide off (or ruin your towels). Your skin will instantly feel silky smooth. And there's no air-drying needed before getting dressed. Brilliant!

Use on hands, too!
