

## Apple Magazine

The Apple empire and all its products have become a sub-culture all their own. One of the best ways to keep up on everything Apple is by flipping through Apple magazine. Updates on the latest apps, games and all your favorite Apple products can be found right here.

## Billboard Magazine

In the pages of this weekly music extravaganza, those in the music business as well as casual fans of every musical genre can find music news and reviews, as well as who's who and what they're doing on the charts that the magazine inspired: The Billboards.

## Cycling Weekly Magazine

With news and updates on the best cycle races the world has to offer, as well as fitness advice, bike reviews and a one-stop shop for bike accessories and components, Cycling Weekly will keep your wheels turning whether you're a cycling pro or just a casual rider.

## Cosmopolitan Magazine

"Cosmo" fills its monthly pages with all the helpful hints a woman needs. With advice on sex, relationships, health and fashion, Cosmopolitan Magazine has offered a place to keep on top of issues pertaining to the everyday lives of the modern woman for almost fifty years.

## Cosmopolitan Magazine UK

Cosmopolitan UK offers women the same frank advice on sex and relationships as its American counterpart. In addition, Cosmo UK has all the health and fashion advice any woman could need. Throw in a little extra spice and you have a perfect sister companion to the US's Cosmopolitan Magazine.

## Elle USA Magazine

A popular French import, Elle roared into the US in the early-1980's and has since become the biggest fashion magazine in the world. Whether a woman needs to catch up on the latest fashions, beauty and health tips, or the latest entertainment news, all this and much more can be found in the pages of this fashion monthly.

## FHM Magazine

Considered a magazine version of the old "boys club", this British publication has advice on men's fashion, entertainment news, video game reviews, humor and, of course,

women. Very much like other publications “Top” lists, FHM readers look forward to the magazines yearly list of the 100 Sexiest Women in the World.

### GQ UK Magazine

GQ UK has all the top male fashions as well as many of the topics and issues guys need. GQ is a one-stop location for everything needed to maintain a “guys” lifestyle. From entertainment news and interviews, food, sex, fitness, travel and technology, to the latest trendy apparel, GQ UK is *the* men’s fashion magazine for British and European readers.

### Harpers Bazaar Magazine

Bazaar works with the fashion world’s top designers, photographers and artists to bring women’s fashion a touch of sophistication not often seen in other women’s fashion magazines. Harpers Bazaar invites women into the world of class and refinement for those seeking that extra touch in their attire. In addition to fashion, Bazaar has beauty and health tips that can raise any woman’s elegance to a whole new level.

### iPad & iPhone User Magazine

All the latest information on both the iPad and iPhone devices, including software news and updates, gaming tutorials, and everything else a fan needs to stay up to speed on Apple’s two most popular devices are found right here. Before pushing the power button on your favorite Apple devices, flip through iPad & iPhone User Magazine for all the latest info.

### Macworld Magazine

Macworld features everything Apple: from desktops to laptops, iPhones and iPads as well as software news, updates, apps and how-to’s from Apple’s popular Help Desk. Whether you want to get the most out of your current Apple device or need some advice in choosing a new one, Macworld has you covered for all your Apple needs.
