

The great thing about life is that you can dream as big as you like and be whatever you want. You shouldn't let anything get in the way of your dream. That's where we can help.

We're here to help you understand your education financing options, allowing you to pursue your dream, rather than worrying about how to pay for it.

Dreams are unique to each individual. Education financing should be too. That's why we offer a variety of flexible, low-cost financing options that cover all of your education expenses, including Federal Stafford Loans and CitiAssist® Alternative Loans for students and PLUS Loans for parents.

**Following your dream  
is one thing.  
Fulfilling it is another.**

**We can help you do both.**
