Jay's is proud to be the top caterer in Southern California, offering the highest standard in full-service catering and event production for over thirty years. We are a family-owned and operated caterer dedicated to providing your event with the finest in gourmet cuisine, elegant décor, and superior service.

In 2002, and again in 2003, Jay's has been named Orange County's "Best Caterer" by the Orange County Register. We were also honored with the 2002 "Ethics in America Award" in recognition of our outstanding business practices, presented by the Passkeys Foundation and Jefferson Center for Character Education. Jay's believes in giving back to our local community and we donate our products and services to many non-profit organizations yearly. We also offer reduced priced menus for non profit events.

Specializing in International Cuisine, our Executive Chef and his team of culinary experts will prepare a customized menu suited to your tastes and occasion. Renowned for our variety of gourmet dishes, Jay's is dedicated to serving foods of the highest quality in taste and freshness. Our menus, including sauces and salad dressings, are prepared fresh daily using all-natural ingredients; we do not use pre-packaged foods.

Located in Orange County, our newly remodeled 35,000 square foot facility houses our state-of-the-art kitchen, linen and rentals warehouse, and our special events showroom, displaying our spectacular table décor and 40-color linen selection. Our Event Rentals division offers a wide array of rental items from tables, chairs, and chinaware to lighting and audio-visual equipment, dance floors, and canopies. We also offer rental décor for every occasion including Holiday, Tropical, Roman, and Western themes.

Staffed with over two hundred full and part-time employees and a vehicle fleet of 35 trucks and vans, Jay's is capable of producing any size event. We have provided extensive catering and event support for over ten thousand attendees at both the annual Southern California Nissan Open PGA Golf Tournament and the Long Beach Toyota Grand Prix.

We are proud to be the preferred caterer for such distinguished southland venues as Japanese Gardens, Museum of Latin American Art (MOLAA), Harbor Lights, Joe's Garage, Franciscan Gardens, Villa San Juan Capistrano and many other premier venues and locales throughout Orange and Los Angeles Counties. We are the exclusive caterer for the newly remodeled banquet facilities at the Los Caballeros Racquet and Sports Club and The Carson Center, which can accommodate groups up to 1000 people. Jay's event coordinators can work with you to find the ideal location to host your special event.

Jay's is dedicated to providing you with the quality, creativity, and service you deserve. We look forward to making your event a successful, enjoyable, and memorable occasion.
