Though 2008 certainly posed challenges to our local and national economy, we have much to be thankful for and are excited about what's in store for 2009.

Among our reasons to be thankful: December marked the **2nd anniversary of our Cerritos center**, located in the Cerritos Auto Square. Hats off to our entire sales and service staff for their continued success!

We at the Townsend Automotive Group are proud to be one of the last remaining family-owned dealerships in Orange County, and stand behind our commitment to family values, quality and service.

Our line of sleek 2009

Jaguars and Land Rovers have rolled onto our lot, and we also have a fleet of Certified Pre-owned vehicles to choose from. Take a look at our Web site for more details. **LRJAH.com or LRJCerritos.com**
