

Little Problems

- 1 Out of milk
- 2 WiFi down
- 3 Smoke detector chirping at 3 am

Big Problems

- 1 Out of asthma meds
- 2 Mom down with the flu
- 3 Fever spike at 3 am

Getting care? No problem.

There's nothing more important than the health of your family. 98point6® makes it easy to put them first, with immediate diagnosis and treatment available on-demand through the convenience of an app.

Ready when you are:

- ✓ Available 24/7, nationwide
- ✓ No travel or waiting rooms
- ✓ Low or no cost
- ✓ U.S.-based, board-certified physicians
- ✓ One-stop for prescriptions, lab orders and doctor's notes

Start a visit in bed, from the car or at the soccer field. With private and secure text-based care, you can address common conditions and medical concerns for the whole family ages 1+—anytime, from anywhere.

It takes less than 90 seconds to register.
