

DIY123

A fresh color or pattern is the easiest way to recharge your living space for spring—and now it's easier than ever thanks to **Devine Color® Paint and Wallpaper**, available at Target®. Choose from 12 creamy hues in perfectly sized grab-and-go containers and 12 coordinated patterns of peel-and-stick wallpaper.

Devine It Yourself

PUT A SIMPLE SPIN ON DIY WITH THESE INSTANT UPGRADES

1 Shelf talk. All you need is one visual stunner to totally transform a room. Try lining the back of a bookshelf with an eye-catching Devine Wallpaper pattern. With less fuss than ordinary wallpaper, you can peel and stick a new design every season for revitalized, room-defining results.

SHOWN ABOVE—WALLS: **DEVINE POND**
INSIDE BOOKCASE: **CABLE STITCH POND**

2 Stairway to style. Interior stairs are often the first thing people see when entering your home. Make a memorable impression by painting risers a luminous shade like **Devine Firefly**, or cover them in an elegant damask or sophisticated diamond Wallpaper print.

SHOWN ABOVE—STAIRCASE: **DEVINE LIGHTNING**
RISERS: **DIAMOND HORIZON**

3 File under fabulous. Brighten a home office with a bold paint-and-paper combo. Energize a wall with spirited color and cover a file cabinet or desk in a graphic pattern from the Wallpaper collection—it's self-adhesive and easy to reposition on three-dimensional surfaces.

SHOWN ABOVE—WALLS: **DEVINE BLOSSOM**
FILE CABINET: **ZIG ZAG BLACK AND WHITE**
