

A NEW TWIST ON FAMILY TIME

Get your home team off the couch and interacting with each other! Use these easy, active ideas for every night of the week from **Kinect™ for Xbox 360®**, which lets you use your body and voice to play games, access movies from the Zune Marketplace, chat live with Video Kinect—and create high-energy fun that everyone will enjoy.

MONDAY: Feel the Burn

After playing with the kids, work up a sweat with **Your Shape™: Fitness Evolved**, the most advanced fitness technology available. Challenge yourself with games like kickboxing “Virtual Smash” or hula-happy “Loop-a-Hoop.”

TUESDAY: Train Your Brain

Invite the neighbors over for a few rounds of **Body and Brain Connection** for the most cerebral and energetic party ever. Parents and kids alike must think fast and act even faster to answer math, logic, reflex, memory, and physical questions using the Kinect's extraordinary full-motion capabilities. Don't forget to have smart snacks on hand, like mixed nuts, blueberries, and colorful veggies.

WEDNESDAY: Dinner and a Movie

Work side by side to cook up a fast, healthy, and delicious meal like vegetable lasagna, turkey chili, or chicken kabobs. Afterwards, relax with the latest blockbuster movie or a flick from the Zune Marketplace using the instant streaming technology of **Zune on Xbox 360**.

THURSDAY: Adopt a Pet

Journey to the mysterious island of Lemuria for a heart-warming adventure with **Kinectimals**. Teach your adopted cub new tricks, discover the island's many secrets, or just spend some QT goofing around together. You'll build a bond with the animals—and each other—that grows every time you play.

FRIDAY: Dance Party

TGIF! Celebrate by moving and grooving to the killer soundtrack and authentic choreography of **Dance Central™**. With step-by-step instruction for beginners and experts, you can practice routines as a family or take turns performing for one another. Include close friends and make your living room the hottest club in town.

SATURDAY: Visit Your Relatives or Friends

Schedule face time with out-of-town loved ones with **Video Kinect** on Xbox LIVE. Let Grandma read a bedtime story to the kids, have your daughter show off her latest ballet steps, or make 'em guess your big news through a game of charades!

SUNDAY: Play to Win

Lazy Sunday afternoons are a thing of the past with **Kinect Sports**. Use your whole body to engage in boxing matches, volleyball games, rounds of bowling, and more for active family fun that lets you show off your skills with every game. Get everyone in the spirit by wearing team colors or custom T-shirts, and award silly prizes to top contenders.
