## NO "ICK" TO MAKE CATS SICK

With ingredients that clump fast and stop odor instantly, wheat-based Swheat Scoop is a natural cat litter that works—for the litter box and the planet. It's earth friendly, 100 percent biodegradable and safe for everyone in the house. No chemicals. No clay. No worries. Learn more at [swheatscoop.com](http://swheatscoop.com).

## WAKE UP TO EGGS

Need a morning protein boost that fits your on-the-go routine? Try hard-boiled eggs: Cover 6-12 eggs with water in a pan, bring to a boil, cover, and remove from heat. Let stand for 12 minutes. For more easy ways to jump-start your morning with eggs, visit [IncredibleEgg.org/recipes](http://IncredibleEgg.org/recipes).

## SIMPLY DELICIOUS PUDDING

Remember pudding? Good pudding. Real pudding. Pudding made with real ingredients like the ones you can find in your kitchen: rice, eggs, milk, and sugar. If you believe in pudding made right, you'll love all Kozy Shack® Pudding varieties—from original rice to tapioca and chocolate. Explore them all at [kozyshack.com](http://kozyshack.com).
